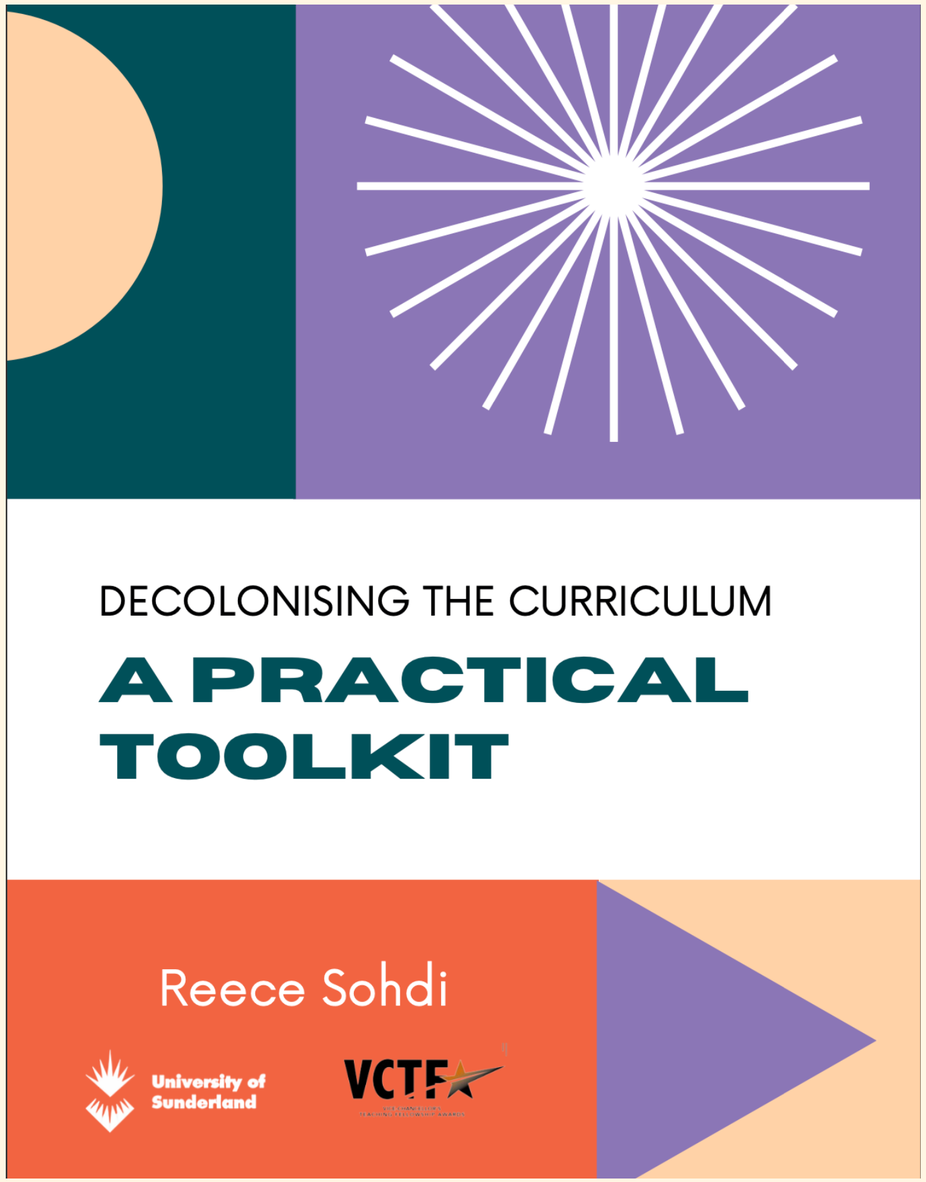
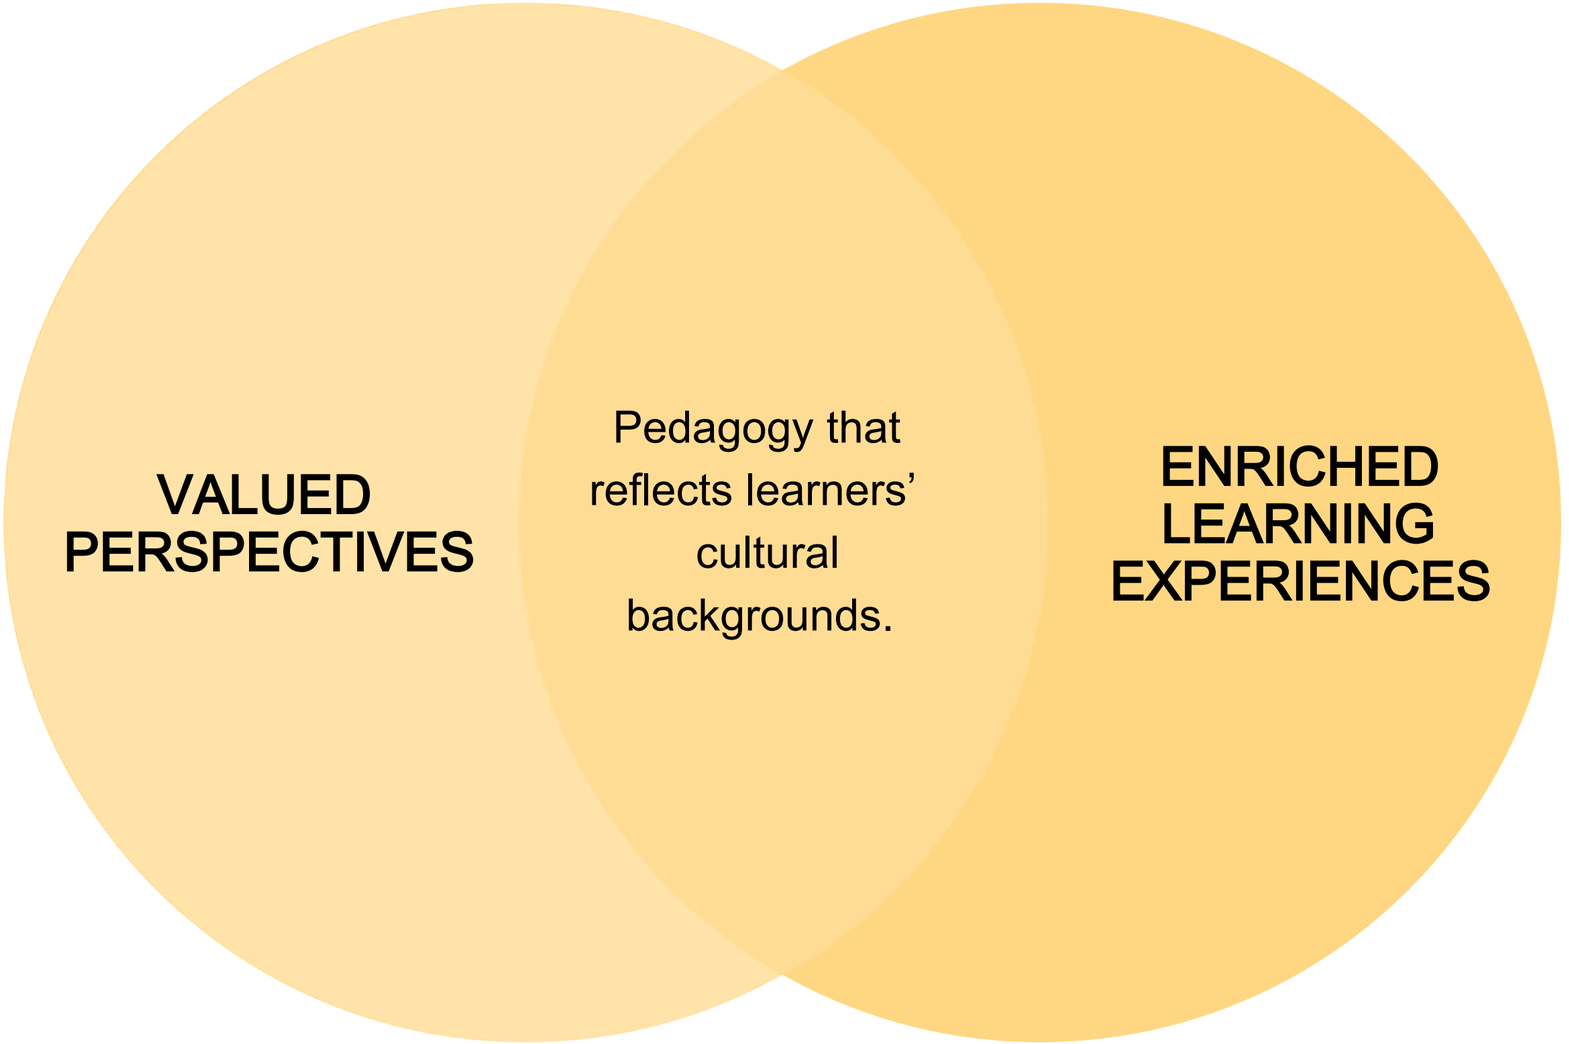
  - Strategies for diverse perspectives
  - Focus on assessment practices
  - Ethical research guidelines

- Outcome:
  - An inclusive and representative curriculum



University of Sunderland



VALUED PERSPECTIVES
Pedagogy that reflects learners' cultural backgrounds.
ENRICHED LEARNING EXPERIENCES

Challenges of traditional curriculum and assessments:

- Often culturally narrow
- Limited to traditional formats

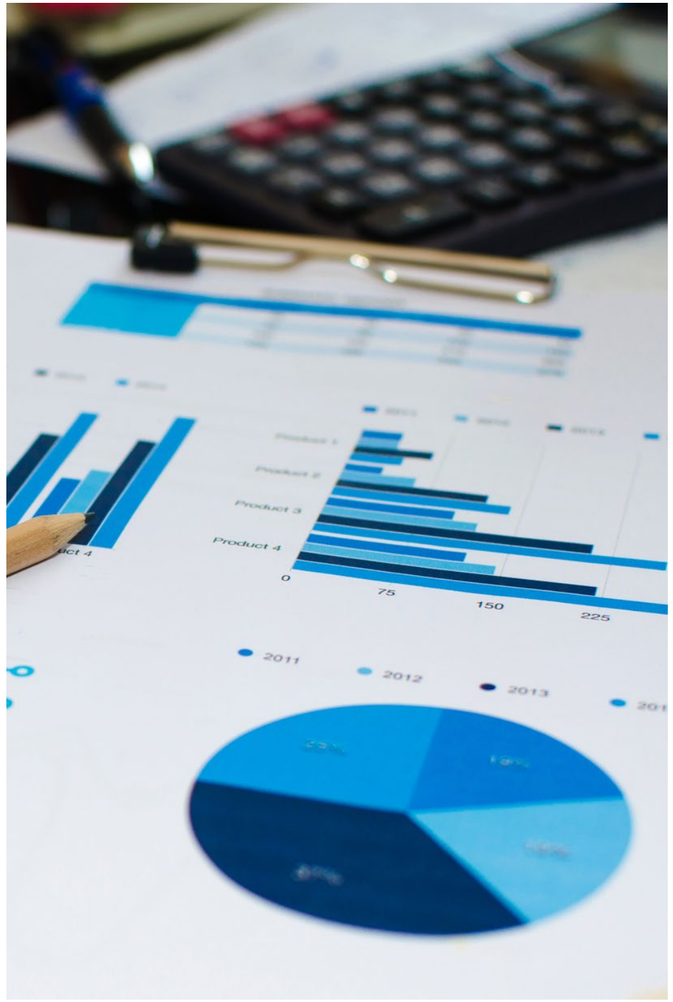
University of Sunderland

ETHICAL RESEARCH

Focus should be on respect and prioritising marginalised voices

Proposed outcomes:

- Social justice -focused research
- Cultural sensitivity in research practices



University of Sunderland

INTERDISCIPLINARY APPROACHES

The goal of these interdisciplinary approaches is to provide both staff and students with a richer, more globalised understanding of their fields, thereby challenging preconceived notions and broadening their perspectives.
